## CFPA's Peace Voter 2020 Campaign Helps Maximize Our Electoral Impact for Peace

In 1995, CFPA pioneered *Peace Voter* to maximize our electoral impact for peace in a nonpartisan way. Since then, our highly successful elements to use in targeted races have included Candidate Briefings by CFPA experts and leaders for major party candidates, candidate questionnaires, and Peace Voter Guides distributed online and as half page signature ads in newspapers. CFPA's *Peace Voter Campaign* has become a model for groups across the nation.

This year, despite the challenges of the pandemic, CFPA has so far conducted three Candidate Briefings (including the two top Democratic candidates in NJ District 2), received completed questionnaires back, and is now distributing our first video of a candidate briefing. Click the *Peace Voter Campaign* icon in the sidebar to the right on [peacecoalition.org](http://peacecoalition.org) for details.

CFPA expects to target three close Congressional races in NJ, as well as the Presidential race in PA for the November election. Contact us to get involved!

## Earth Day 50th Anniversary Virtual Events Succeed!

With the capable leadership of Assistant Director Niki VanAller and Pennsylvania Office Director Ed Aguilar, CFPA co-led two Virtual Events on April 22 Earth Day's 50th Anniversary! This is part of CFPA's *No Wars, No Warming Campaign* which was begun in 2014 with the massive People's Climate March in NYC which hundreds of CFPA supporters attended. Click Recent Events for photos and videos of the April 22 speakers, and click the *No Wars, No Warming Campaign* icon on the right side of [peacecoalition.org](http://peacecoalition.org) for more details.
